Ballroom 1 (Age 6-13) – Thursday 5:15-6:00 pm

Introduction of basic Ballroom and Latin patterns and techniques with a focus on International Style.

Ballroom 2 (Age 14 and up) – Thursday 4:15-5:15 pm

Beginner/Intermediate Ballroom and Latin patterns and techniques with a focus on International Style.

Group Voice 1 (Age 2-4) – Wednesday 3:15 – 4:00 pm

This class requires that a Mommy OR Daddy OR Grandparent attend with the student. We will work on developing your child's natural musicianship. It will encourage your child to be creative while your presence and participation offer needed reassurance and support. We will explore instruments together, sing and move to music, and begin to understand small musical concepts.

Group Voice 2 (Age 5 – 8) – Tuesday 6:15 – 7:00 pm and Thursday 4:30 – 5:15 pm

This class will offer this younger age group the opportunity to explore musical symbols and more complex instruments. We will lay the foundation for formal musical training in private music lessons. They will learn the basics of vocal development, play simple instruments, and begin to learn basic music theory and solfege (a method to help vocal students learn the beginning of reading music).

Group Voice 3 (Age 9 – 13) – Tuesday 5:30-6:15 pm

This class will teach proper singing and breathing techniques. It will be customized to the ability level and progress of the collective group. Vocalists will learn solfege, theory and repertoire to perform throughout the year and at various places. An occasional extra rehearsal may be needed prior to a performance date.

Group Voice 4 (Age 14 and up) – Tuesdays 4:00-4:45 pm

This class will offer the opportunity for students to learn how to sing using proper breath techniques. It is designed specifically to help students (especially dancers) be able to sing in a chorus of a Broadway-type production. We will work on group pieces as well as performing 16 bar audition snippets in front of each other to prepare for auditions.

Dance Nanny Program. This program was created to help with the demands of families' busy life styles. Dancers who take multiple classes at LaBelle may have breaks in between classes and students cannot be left unattended during this time. Parents who work or have other obligations may find it difficult to stay at the studio or travel back and forth. This program will allow parents to leave their child at the studio for extended periods of time. The Dance Nanny will make sure the student is ready and on time for their LaBelle classes, complete their daily homework, provide a snack, and ensure the student is supervised while at LaBelle. Dancers may be dropped off at 2:30 pm and must be picked up by 8:00 pm or immediately after their last class. Cost is \$75 for the week (Monday to Thursday) or \$25 per day. These fees are in addition to their regular dance, music, art or theatre fees.

Adult Classes

Adult Ballroom (New) – Thursday 6:45-7:45 pm

Introduction to Beginner, Social Ballroom and Latin Dances. Each six-week session will focus on two styles of dance, with the styles changing for every session. Sessions cost is \$75 (family discount does not apply).
