Haven't Got A Clue

The LaBelle Performing Arts (LPA) Music Department is proud to announce that our first ever Musical Theatre Class is going to present HAVEN'T A CLUE, Saturday, April 9th at 2:00 PM. We are so excited about this production! This very creative group of students auditioned and began working on their production in January 2011. What an exciting time for them now to see this culminate into an actual show! With the support of the talented LPA Staff, the students developed the production; theme, script, music adaptations, costumes, set design, program, etc. They have done an awesome job putting this show together in just a few short weeks. Each student was involved in developing the production and will perform as part of the show's cast, highlighting their acting and singing talents. They are amazing! LaBelle Voice Instructor, Ms. Tresa Kirby, is directing the production and will perform with her students. You don't want to miss this exciting event! Come join us Saturday!
