Recital Policies

Beginning February 1st, students who arrive late to classes will receive a tardy mark. Allowances will be made for students whose classes overlap. If ballet class follows your other classes you must be pre-dressed and ready to start on time. When possible, students should come into the classroom before the end of the preceding class. If students receive three tardy marks in a class it will count as one absence. If a student misses four classes in a single discipline for any reason over the remaining months they will not be allowed to perform in the student concert. Students who miss due to illness may be excused with a doctor's notice. Excessive absences make it difficult for a class to learn the necessary choreography for the end-of-the-year showcase. A student may choose to make-up absences by taking private lessons with their instructor in order to review choreography covered in class. Private lessons are \$40.00/hour. **For Ballet:** If a student is not dressed properly for ballet class (Hair, Tights, Leotard, Shoes, jewelry, etc.) they will be asked to sit and will be counted tardy.

Thank you for your understanding, and continued support.
