Costume Week

Costume Fitting Week is March 10-15. Please mark your calendar so that you can have at least one parent or guardian in attendance. Students will only receive costumes if parents are present and accounts are up to date. After trying on your costume you may discover that it needs some alterations. Alterations will need to be made prior to picture week on April 7-12. Other information pertaining to our end-of-year production will be handed out during this time.

Attendance Policy

Students are strongly encouraged to attend class every week in order to develop their skills through practice and repetition, as well as build the necessary conditioning for their bodies. A student in group classes planning to participate in the end-of-the year showcase will not be allowed more than 4 absences after February 1st. Excessive absences make it difficult for a class to learn the necessary choreography (Dance) or blocking and lines (Theatre) for the end-of-the-year showcase. A student may choose to make-up absences by taking private lessons with their instructor in order to review material covered in class.
