Attendance:

Parents, it is imperative that all students attend their classes while dances are being choreographed. If the student misses choreography because of absences they will need to learn the new material from someone who was present during the rehearsal or schedule a private lesson with the instructor. Students who miss four classes between February and June will no longer be allowed to perform in their class' dance. We thank you for your help during this time.

Costume Week:

March 26th through the 31st is costume week. All students will receive their costumes during class. This will also be a time for teachers to go over performance and end-of-the-year information. Please make all efforts to attend your classes this week. All accounts must be paid in order to receive your costumes.

Wizard of Oz Featured Characters:

We will be scheduling extra theatre classes for featured characters, so please be sure to read all future emails thoroughly. Also please be aware of notices that go up in the lobby.
