The Beautiful Dream LPA's 2017 Production

This is LaBelle Performing Arts' first original show. Inspired by some of the most famous fairy tales of all time, and the true story of a girl with a vision. This is an amazing story about a little girl's struggle to follow her dreams, even when it seemed impossible. Her fight to prove herself and her determination to succeed will leave you inspired and uplifted.

"The Beautiful Dream" was LPA's first show back in 2007. It was perfect to bring back the name because LaBelle is truly living The Beautiful Dream 10 years later. The story will touch on some of Jeannie Beasley's (LPA's owner and founder) experiences in starting her school and her fight to prove herself. This show will also take us back to every show from 2008-2016. We will get to revisit some of our favorite characters, such as the White Rabbit, Dr. Frankenstein, Cinderella, Dorothy, and so many more.

The staff has creatively put together an inspirational story that will also be a walk down memory lane. Don't miss this amazing show, it will surely be one of our best! "

2017 Auditions

Featured character auditions for "The Beautiful Dream" are scheduled for Nov. 11 at 6 pm. This year, teachers will also be casting small featured character parts from students in their classes. A character list and additional audition information will be available next week.
